## FOR IMMEDIATE RELEASE

### MEDkeen Solutions® Announces Exciting New Partnership and Distributorship with PsyTech VR

**September 25, 2023 (Kissimmee, FL)** — MEDkeen Solutions, a pioneering consulting firm specializing in the health sector, is thrilled to announce its strategic partnership and distributorship with PsyTech VR, a leading provider of virtual reality (VR) therapeutic solutions. This groundbreaking collaboration, officially signed on August 23rd, 2023, marks a significant milestone in the quest to enhance mental health treatment options in the United States.

MEDkeen Solutions takes pride in its commitment to innovation and education. As the essential bridge between clients and emerging technologies, their core mission is to make cutting-edge innovations accessible and understandable to all. With a focus on staying at the forefront of technological advancements, MEDkeen Solutions provides expert guidance and solutions that empower clients to unlock the full potential of emerging technologies.

PsyTech VR, known for its flagship product "MindGap VR," has revolutionized the mental health sector by offering a powerful VR platform that empowers clinicians and researchers to deliver evidence-based therapies in a safe, controlled, and interactive environment.

The partnership between MEDkeen Solutions and PsyTech VR promises to reshape the mental health landscape in the USA. With MEDkeen Solutions' dedication to innovation and PsyTech VR's cutting-edge VR therapeutic solutions, individuals seeking mental health support can look forward to more accessible and effective treatment options.

"This partnership represents a significant step forward in our mission to promote mental well-being through emerging technologies," said Khalilah Filmore, CEO at MEDkeen Solutions. "We are excited to join forces with PsyTech VR to make MindGap VR more readily available to clinicians and researchers across the United States. Together, we aim to improve the lives of countless individuals in need of effective mental health treatments."

Daniel Andreev, CPO & Co-Founder at PsyTech VR added, "We are delighted to have MEDkeen Solutions as our trusted partner and distributor. Their commitment to innovation aligns seamlessly with our mission to provide cutting-edge mental health solutions. This partnership will help us extend our reach and impact in the field of mental health."
