**Local Business Owner Khalilah Filmore Named to NSBA Leadership Council**

**Florida** – Khalilah Filmore, MEDkeen Solutions, Kissimmee was recently named to the National Small Business Association (NSBA) Leadership Council. NSBA is the nation’s oldest small-business advocacy organization and operates on a staunchly nonpartisan basis. Filmore, a recognized leader in the small-business community, joins the NSBA Leadership Council alongside other small-business advocates from across the country as they work to promote the interests of small business to policymakers in Washington, D.C.

“As a small-business owner, I felt a need to become involved and active when it comes to laws and regulation,” stated Filmore “Joining NSBA’s Leadership Council will enable me to take our collective small-business message to the people that need to hear it most: Congress.”

Khalilah Filmore has over 22+ years of healthcare experience; she is a nurse-turned CEO who decided it was time to get off the bench and win in this tough game called healthcare management.

Filmore joined the NSBA Leadership Council as part of her efforts to tackle the many critical issues facing small business, including tax reform, regulatory restraint, health care costs and how the Affordable Care Act will impact small business. The NSBA Leadership Council is focused on providing valuable networking between small-business advocates from across the country while ensuring small business a seat at the table as Congress and regulators take up key small-business proposals.

“I am proud to have Khalilah Filmore as part of our Leadership Council,” stated NSBA President and CEO Todd McCracken. “She came to us highly recommended, and I look forward to our coordinated efforts for years to come.”
