COMPANY OVERVIEW

MEDkeen Solutions® delivers direct mission enablement through emerging technologies, secure platforms, and operational support models. Rooted in healthcare, we apply regulatory precision and delivery discipline across defense, federal, and commercial environments. We build scalable solutions aligned to mission needs and measurable outcomes.

CORE COMPETENCIES

AI, Cloud & Data-Driven Tools

- Secure, cloud-native apps aligned with privacy standards
- Digital tools for machine learning and decision support
- Real-time data dashboards for actionable insights
- Containerized deployment for scalable, secure delivery
- Data infrastructure supporting federated learning in regulated environments

Workforce & Operational Readiness

- Immersive learning and simulation programs (3D/VR)
- Case management, team training, and practice redesign
- Resource planning and workforce support

Technology Distribution & Enablement

- Authorized distributor of immersive 3D and VR platforms for mental health, training, and workforce development
- Digital tools integrated for secure telehealth delivery, educational applications, and user accessibility
- Turnkey tech solutions deployable within HIPAA- and CMMC-aligned environments

DIFFERENTIATORS

- Mission-aligned, nurse-led small business with field-proven delivery
- Technology deployment aligned to COOP, COG, and high-readiness federal operations
- Compliance-forward systems aligned to HIPAA, CMMC, and FedRAMP standards
- Deployable support across CONUS and OCONUS, tailored to mission needs
- Systems designed for secure interoperability, off-the-shelf deployment, and alignment with CMMC Level 1 and cloud-native environments
- Multilingual capacity: Spanish, Portuguese, German, French, Arabic
- Distributor of immersive VR and 3D platforms for workforce and behavioral health

PAST PERFORMANCE

Medkeen Wealth Solutions LLC
dba MEDkeen Solutions
Accepts Credit & Purchase Cards
